EASTERN DISTRICT,

N. B. DUFFIE.

WESTERN DISTRICT,

WILLIAM D. BRAYTON.

The March Term of the Supreme Court commenced in this city yesterday morning. Chief Justice Ames delivered a brief and comprehensive charge to the Grand Jury, on the nature of their duties. In the absence of attorney General Hart, Christopher Robinson, Esq., ex-attorney General, was appointed to officiate for the Term.

The Chief Justice delivered two opinions; one in the case of the creditors of Nathan Stanton vs assignees in which the Court set aside transfers of lands, and ordered a Master to be appointed. The other was in a Divorce Petition, Ditson vs Ditson, in which the question was raised as to whether the Court had jurisdiction in a case where the Respondent did not reside in this State, and had had no personal notice of the pendency of the petition, in consequence of his being in parts unknown. The Opinion was an exceedingly able one, and reflects great credit upon the accomplished Chief Justice.

The Petition was granted.

The Democratic State Convention meets in Providence to-day; "Gov." Fell is a delegate from this city. Last year the "Gov." stated in the Convention that the Newport members had previously been in the habit of going to Providence and finding their "mission already cooked for them," but he did not like this manner of doing business. We wonder if the "Gov." will find his mission cooked this year?

## MR. GILMAN'S LECTURE.

As Mr. Gilman, who is to lecture here on Thursday evening is a new man to a great part of our community we clip the following remarks from the Boston Transcript, that all may be well informed as to what is coming.

NEW ENGLAND HUMOR.—Mr. Arthur Gilman entertained a large and refined assembly last evening, with his new discourse on New England humor. A more agreeable hour has rarely been afforded to any of our city audiences. Mr. Gilman has been enough among the class that furnishes the liveliest traits of Yankeeism to catch all its subtle features, and has learned in a more polished sphere how to dress them for the most fastidious circle of listeners. We have no story-teller who rivals him in full-flavored yet quiet and natural presentation of the shrewd, cautious, wide-awake, gravely droll, New Englander. His anecdotes are so numerous and so fresh, and so evidently genuine, and so well told, that they would repay any audience if they were related without connection, on the principle that "a society is its own excuse for existence," so laughter is a little season of innocent and instructive merriment will mightily relieve the inhabitants of inland towns whose lecture committees have stuffed them with "solid information" until they wheeze with repetition. Let him be sent for wherever long faces are prevalent, and we will warrant a cure, or the money returned. Mr. Gilman should be recognized at once as a public benefactor.

It is stated that the gale of Monday was a much heavier one than that of the 19th February, and as an evidence of the fact it is said that the boatmen on Bannister's wharf who were making their boats secure, were compelled to cling together in pairs to prevent their being blown off the wharf! Such puffs as they there experienced you seldom see in the newspapers.

Rev. Jonathan Aldrich of Worcester, Mass. is expected to preach this evening at the Central Chapel, on Clarke street, at 7 o'clock.

ANOTHER ARREST.—Robert Sullivan, another of the party implicated in the Worcester case, was arrested on Wednesday at a house in Federal street. —Post. Adc.

## MR. ELLIOT.—

I regret that some of my musical friends feel themselves aggrieved at my article of yesterday! Poor me! I endeavored to be jocose, but it seems I was adjudged severe. There is not a sentence in it that can fairly be construed into ill will to anybody, if I'm any judge; I confess that I quoted from the "Musical Review" a statement that the "Philharmonic Society" was the fruit of ten years labor in the musical field by an accomplished musician, but I really do not see that any one can find fault with that. Nor do I think that our friend Dr. Wood will object to being called an accomplished musician, which he unquestionably is; or, that he is ashamed of the fruit of his labors. His concert was an entire success, and the "News" and "Advertiser" have severely said so, the Institute have not as yet had their share of puffing, and I had no idea of offending anybody's sensibilities by merely telling the truth about them, in print. Far be it from me to wish to see disunion usurp the place of that perfect harmony and good will which now unites the two societies; may they go on as they have begun in generous and brotherly rivalry, to the end, let us have no jarring interests, no fierce resentments, but try to cultivate peace and good will, and moreover be not too thin-skinned and sensitive, at fancied injuries, and imaginary wrongs.

JUSTITIA.

## The Rencontre in Kansas.

New York, Feb. 27.—The Kansas correspondent of the Tribune gives the following additional particulars of the outrage at Leecompton. The dispatch is dated.

Leecompton, Feb. 19.—An allay took place here last night, in which Sheriff Sherrod was killed and three other men were wounded. A meeting of Geary's friends was held at the Capitol to sustain his course and express disapprobation of the recent outrage to him. Sherrod and his friends came armed to break it up.

When the resolution were read, Sherrod declared that any one voting for them was a liar and a coward. The excitement grew intense. Sherrod drew his pistol and fired, wounding a man by the name of Sheppard. Miscellaneous shooting then began and was continued for some time. Mr. Sherrod was shot through the head by a young man named Jones, who came from Pennsylvania with the Governor. Sheppard has two wounds on his head. Two others are slightly wounded. The Sheriff men seeing they would be overcome, offered no violence after Sherrod fell. Young Jones was arrested by a bogus sheriff, and after the meeting was thus broken up, Gov. Geary called out the troops to prevent his being lynched. The Governor also organized a company to defend himself, but disbanded it at dusk last night. More violence is apprehended as great excitement still prevails.

The Legislature has passed a Territorial election law, based on the census which provided for the Constitutional Convention only those who may be in the Territory in April and whose names shall be registered, are to vote at the next October election. The Governor has sent in no more votes.

St. Louis, Feb. 27.—A letter from Leecompton dated 17th, says that General Richardson, of the Kansas Militia, and member of the Territorial Council died on the 14th.

Captain Walker had been arrested and examined before Judge Cato. He was held to bail in \$13,000.

A bill had passed the Legislature, given County Judges jurisdiction in criminal cases, and people may be tried before the county Courts without a jury and without an indictment.

Correspondence between Mr. SHEFFIELD and Mr. DUFFIE.

Newport, Feb. 21, 1857.

Dear Sir—At a convention of delegates from the Republican party in this Congressional District, held in Providence on the 19th inst., you were nominated to be supported as the candidate of this party to represent this District in the thirty-first Congress of the United States. It is with great pleasure that I announce this nomination to you, and in behalf of the Convention I respectfully solicit your acceptance of the same, as by so doing the Convention believe that you would enable our party in this District to do service to the Republican cause by securing your reelection to the office which you have filled with so much credit to yourself, and the District, a result which we cannot fail to attain, for there is so much that is humane and just united in the principles of the Republican party, that all other issue are fast being subordinated or merged in the great questions which it tends for the consideration and determination of the people of the country.

I have the honor to be very respectfully yours,

W. P. SHEFFIELD,

President of the Convention,

Hon. N. B. DUFFIE, Washington, D. C.

HOUSE OF REPRESENTATIVES,

Washington, Feb. 26, 1857.

Wm. P. SHEFFIELD, Esq.: Dear Sir—Your kind note, officially informing me that my partial friends of the Republican party, had in Convention nominated me to be supported as the candidate of that party, for reelection to represent our district in the 31st Congress, was received last evening. Please permit me through you, to return them my sincere thanks for the high honor conferred upon me, and my assurance, that if re-elected to such honorable position, that it shall be my earnest effort initially to represent my native district, and to the best of my ability to support on all occasions the best interest of Rhode Island. I think my course in the past will furnish better evidence of my devotion to the cause of Freedom, than any promises I could make for the future.

Very respectfully yours,

N. B. DUFFIE.

RELIGIOUS MOB AT QUEBEC.—Mr. Pappin, a lay preacher of the Wesleyan Methodist church in Quebec, was recently mobbed while visiting some converts from the Roman Catholic faith, and narrowly escaped with his life. A mob of several hundred excited Catholics broke into the house, attacked and trampled upon the invaders, among whom was a woman, and Mr. Pappin, who was severely attacked, escaped through the exertions of a few friends, some of whom were severely beaten.

Washington, Feb. 28.—I learn this evening, that the present administration have decided not to take any action upon the Mexican Treaty, but will leave it to be acted on by the incoming administration. Consequently it will not be communicated to the Senate for the present. A majority of the Cabinet are decidedly opposed to most of its provisions. An amendment will be offered in the Senate, to be hatched on to one of the appropriation bills, increasing the pay of the officers of the Navy.

The reason of this is that the Naval Committee were unable to report a bill which they have matured, similar to the Army bill, increasing officers' pay. The Secretary of the Navy will detail two ships, prior to his leaving the Department, to assist in laying the telegraph cable between Newfoundland and the coast of Ireland. The House Committee on Military Affairs have reported a bill giving to the heirs of Pandling Van Wert, and Williams, the captors of Major Andre, \$50,000. Mr. Collamer reported a bill to provide for carrying the mails from Panama to Valparaiso, in connection with the mail routes already established, or hereafter to be established, to New Orleans, New York, and California. The bill will hardly be acted on for the want of time.

Washington, March 1.—Mr. Buchanan dined at Baltimore to-morrow, and will be here in the evening. Our hotels are overflowing, and office seekers are an abundant. The resolution for the impeachment of Judge Watrous comes up in the House to-morrow. The previous question will be moved to avoid debate.

Mr. Lee, who killed Mr. Rume yesterday, has been discharged from the Pension Office. There is much excitement consequent on the event, and Lee, who is out on bail, has gone to Virginia to avoid unpleasant consequences.

William B. Draper, who was connected with the Japan expedition as chief of the telegraph corps, was attacked with paralysis on Saturday. The whole of his right side is paralyzed, and he is speechless.

St. Louis, Feb. 28.

Advices from Kansas state that a law has passed both branches to punish rebellion with death. All resistance to territorial law or authority is declared rebellion. The bill repealing the test oaths which passed through the Council had been almost unanimously defeated in the House. The Council condemned by resolutions the outrage on Gov. Geary, while the House fully justified Sherrod. Geary fears assassination.

The latest advices from Kansas state that Sherrod was not killed, and that Mr. Jones, who was arrested, was not the Governor's Secretary. He has been held to bail in \$5000.

DR. BURDELL'S MARRIAGE.—The public will be glad to hear that they are to have the question of Dr. Burdell's alleged marriage to Mrs. Cunningham tried by a competent tribunal very shortly. The controversy with regard to the administration of Dr. Burdell's estate, which depends on this question, in human probability, come before the Surrogate on Tuesday next. The counsel of both parties are eager to proceed, and the Surrogate will put aside the Parish will case for the purpose of disposing of this. We learn that Mr. Clinton, Mrs. Cunningham's counsel, has today taken out six subpoenas in the case, so that we may expect a long, and be sure of a hard fight. We shall soon be able to see what Dr. Spicer's affidavit amounts to.

MR. ROBT. M. PATRICK, 192 Pearl St.  
DEAR SIR.—The Defiance Safe, No. 5778, purchased from you about eighteen months since, was in my house at Newport, R. Not having the necessary tools at hand to open it, the same has stood just as when recovered, until shipped to your address, Nov. 4th. When opened at your store this morning, I was agreeably surprised, as were also others present, to find the contents, consisting of valuable silver plate, &c., in as perfect order as when placed therein. ## A CARD TO THE LADIES.

Dr. DUPRE'S Golden Periodical Pills for Females. Perfectly harmless, yet wonderfully efficacious in all disorders connected with the system, and removing all obstructions from whatever cause.

All medical men know, as well as many others, that no female can enjoy good health, unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health begins immediately to decline, and the want of such a remedy has been the cause of so many complaints among young females. Headache, Pain in the Side, Palpitation of the Heart, Loathing of Food, and Disturbed Sleep, do most always arise from the obstruction of nature; and whenever that is the case, the Pills will invariably remedy all these evils; and may always be used successfully as a preventive. Price \$1.00 per box. For sale by HAZARD & CASWELL, 12 Washington Square, and 127 Nassau Street. They will supply the regular and occasional needs of Ladies, by enclosing \$1.00 in STURGIS & CO., Box 24 Newport Post Office, can have the Pills sent (confidentially) by mail to any part of the city or country.
